

KIEW JIA QIAN

Freelance Illustrator

Profile

"Described by those who know me as hardworking, fast-paced, diligent and driven, I specialize in illustration design through digital mediums. I aspire to utilize my design knowledge and skills to meaningfully connect with the world around me. Outside of being a student of NAFA, I consider myself someone passionate about character design and assisting my clients as a remote freelancer. I enjoy actively engaging in creative side passion projects in my free time."
